Re: *Jingyuan Yang et al. v. United States of America*, 21 Civ. 6563 (SDA)

Dear Judge Aaron:

This Office represents Defendant the United States of America ("United States" or the "Government") in this action. The Government writes respectfully to request: (1) a three-week extension of the Government's deadline to file its post-trial brief, from February 7, 2025, to **February 28, 2025**; and (2) a corresponding three-week extension for Plaintiffs to file a reply brief, from February 24, 2025, to **March 17, 2025**. *See* Order dated Nov. 14, 2024 (ECF No. 127). The extension is requested because the undersigned attorney was ill during the third and fourth weeks of January, and because of the press of business of Assistant U.S. Attorney Samuel Dolinger, who is counsel of record for the Government in another matter that was recently scheduled for a jury trial on March 31, 2025. *See United States ex rel. Bassan v. Omnicare*, 15 Civ. 4179 (CM). This is the Government's first request for an extension of its post-trial briefing deadline. Plaintiffs' counsel consents to the request.

We thank the Court for its consideration of this letter.
